

Tangible User Interfaces in CSCL

Carla Harth

What are Tangibles/TUIs?

couple physical representation

with digital representations

=> interactive systems

with “integration of representation”

Why used for CSCL?

- interaction very natural
- perception and cognition closely interlinked
- size
- slow pace of interaction

Classifications

1. TUI models...

...real-world structures (Froebel-inspired Manipulatives (FiMs))

...abstract structures (Montessori-inspired Manipulatives (MiMs))

2. Learning activity is...

...exploratory

...expressive

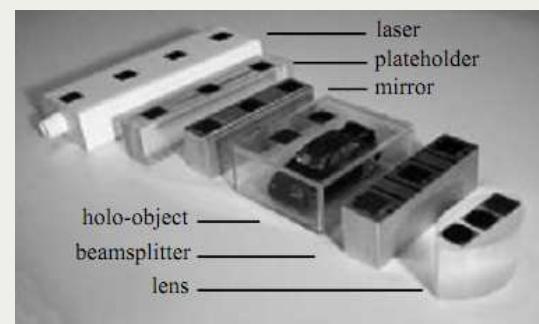

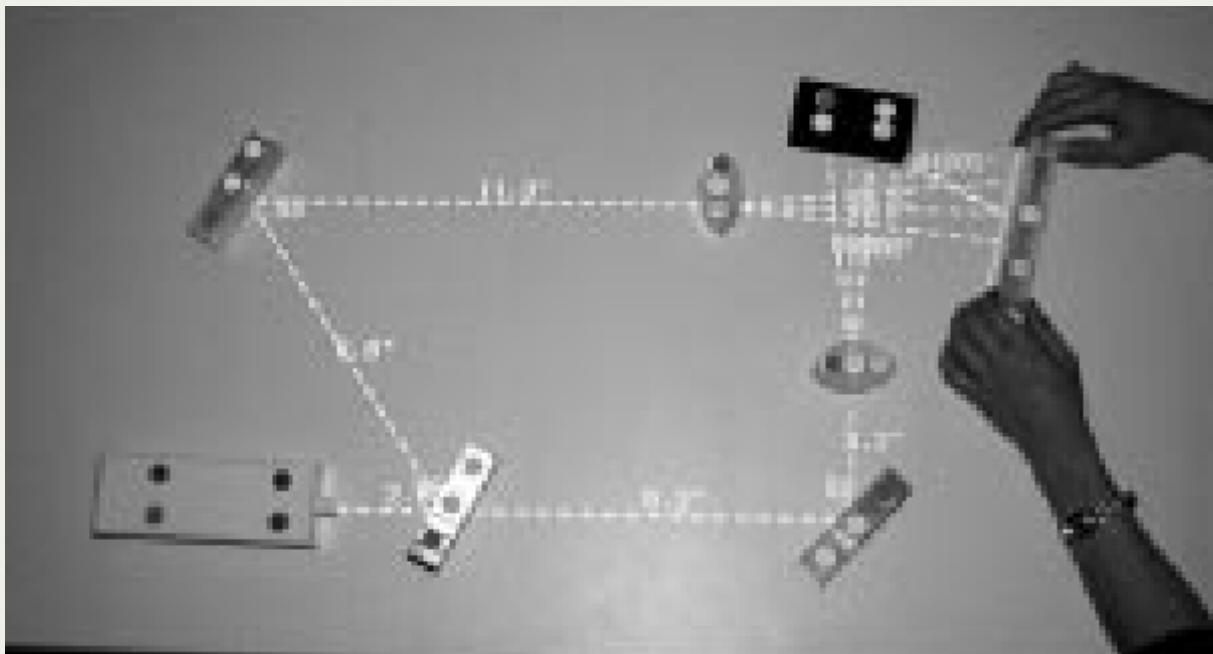

Magic Carpet [1]

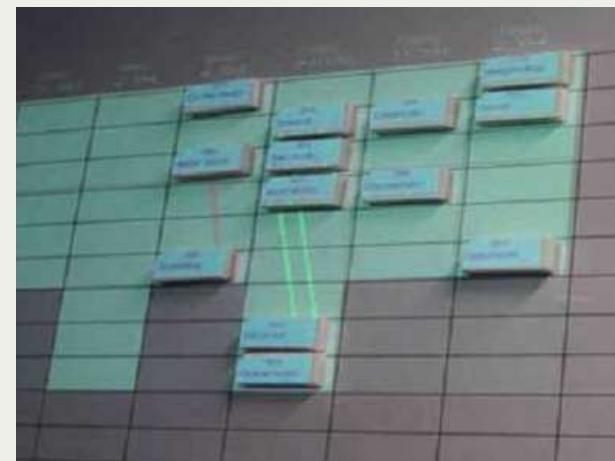

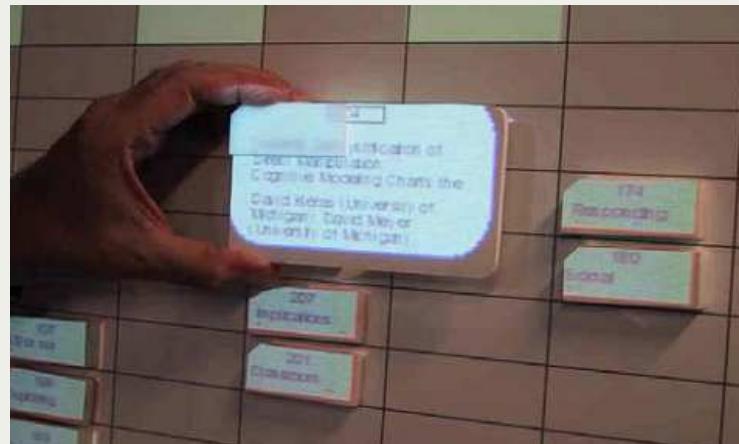

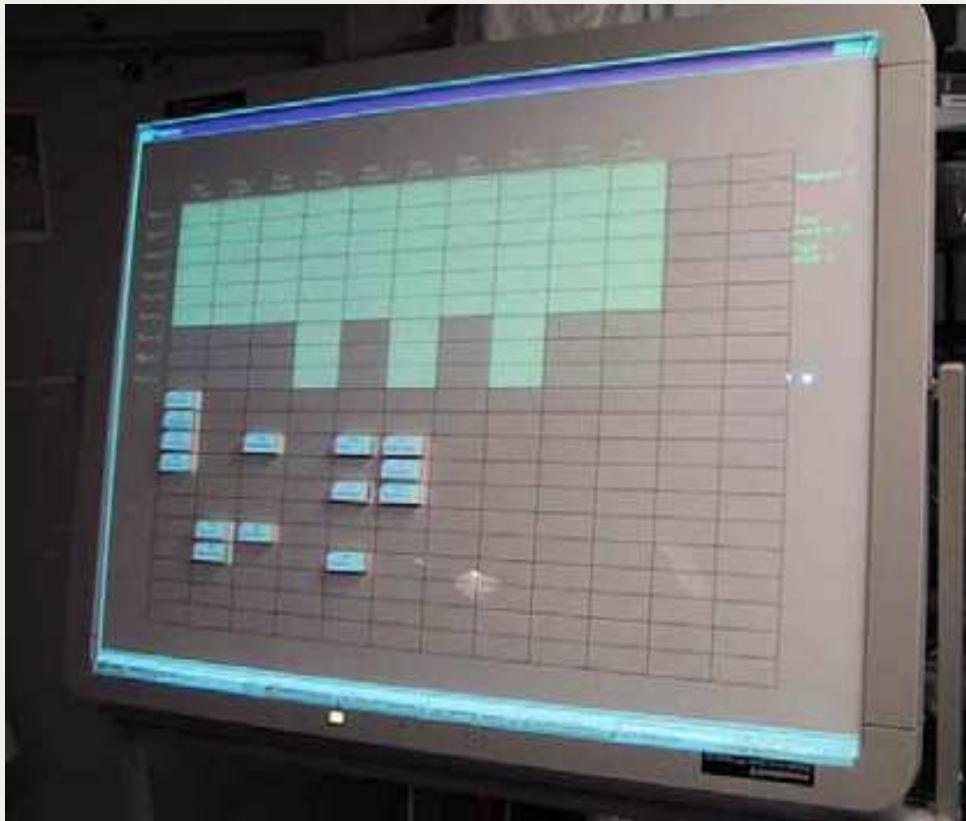

Illuminating Light [2]

Senseboard [3]

Thanks a lot for your attention!
